FOR THOSE WHO WANT TO DO GOOD, NOT JUST THE “WELL-TO-DO”

You do not need to be wealthy in order to make a meaningful planned gift. Most people have the **immediate capacity to create a legacy gift.**

Many deferred giving options allow you to purposefully support the future needs and vitality of Quaker organizations with **little or no impact to your current income. Some planned gifts can even provide additional income.**

BEQUEST

Most individuals create or modify a will at certain times in their life – when they have children, when they retire or sell a home, when a partner dies. Including a Quaker organization in your will is simple and a meaningful way to show your support.

How it works:

1. You include a bequest to a charity in your estate plan.

Sample Bequest Language

I give [indicate a dollar amount or a specific % of the remainder of your estate] to [name of the Quaker organization of your choice], presently located at [provide current address of organization], [for its general use] or [for some specific purpose].

2. You retain full access to your bequest assets for the rest of your life. You may modify the terms of your bequest at any time, should your wishes change. Your estate receives an estate tax deduction equal to the amount of your bequest when your estate is settled.

CHARITABLE GIFT ANNUITY

A few years ago, our granddaughter graduated from a small Quaker elementary school. As she moved into her new setting, we were struck by the incredible impact her early Quaker education had made. We felt moved to support that small school, but did not have the ability to make an outright gift at this time.

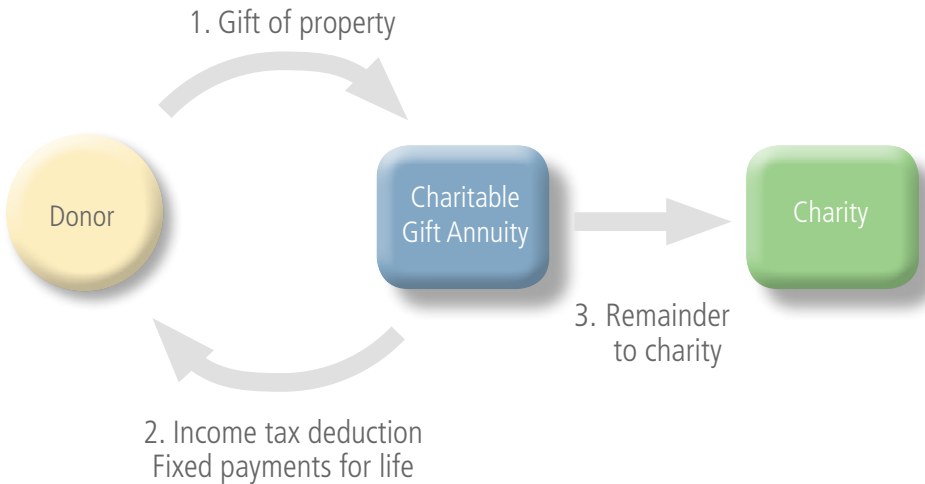

My husband and I chose a Charitable Gift Annuity. We were guaranteed a set amount of life income and we named the school as the remainder charitable beneficiary.

We were thrilled to make a gift to the school which had so positively impacted our granddaughter's formative years.

HOW A CHARITABLE GIFT ANNUITY WORKS

1. You transfer cash, securities, or other property to FFC.
2. You receive an income tax deduction and may save capital gains tax.
3. FFC pays a fixed amount each year to you or to anyone you name for life. Typically, a portion of these payments is tax free.
4. When the gift annuity ends, the remaining principal passes to the charity of your choice.

DONOR ADVISED FUNDS

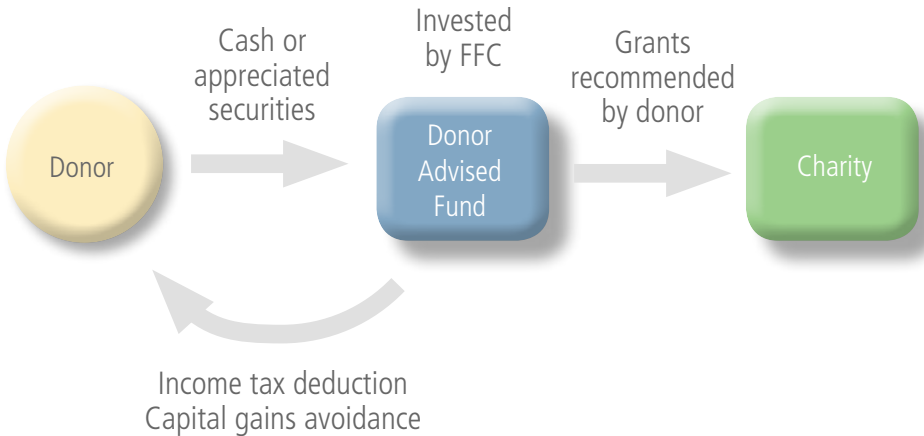

We recently found that our annual charitable contributions would not meet the level needed to itemize. As a family we were committed to continuing to support the Quaker and Quaker-aligned organizations that we value but also wanted to find a way retain some tax benefit.

Establishing a Donor Advised Fund allowed us to achieve both goals. My partner and I devised a giving plan over a ten year period that included the charitable organizations we wanted to support. Having a concrete amount in mind, we used appreciated securities, which had capital gain tax advantages, to make our gift to a Donor Advised Fund at Friends Fiduciary. Because our initial gift to establish the Donor Advised Fund was more substantial than what we would give in a single year, we were able to take advantage of the itemized charitable deduction in the year of the gift. Most importantly, the organizations we value will continue to have our support in the coming years through grants from our Donor Advised Fund.

HOW A DONOR ADVISED FUND WORKS

1. You transfer cash, securities, or other property to FFC.
2. You receive an income tax deduction in the year the gift is made and may save capital gains.
3. The funds are invested by FFC and may experience market growth. This increases the funds available for grant making with no tax impact to you.
4. You recommend grants from the fund over time.
5. You, and others, may contribute to the Donor Advised Fund as frequently as you like.

LEVERAGING YOUR LEGACY THROUGH SOCIALLY RESPONSIBLE INVESTMENT

As the leader in bringing Quaker values into the investment process, we offer a unique solution. All planned gift assets held by Friends Fiduciary are invested consistent with Quaker values. The first step is a vigorous screening process guided by Quaker testimonies and values. Next, those companies remaining are further evaluated by looking at environmental, social, and governance factors. Additionally, Friends Fiduciary actively engages in shareholder advocacy with the companies we own as a witness to our Quaker values and concerns.

LEGACY GIFTS

I guess the term for it would be “windfall”. After living in the same house for thirty-five years, it was time for something smaller and more manageable. It seems in those years, property values had skyrocketed and I found myself with more money than I needed.

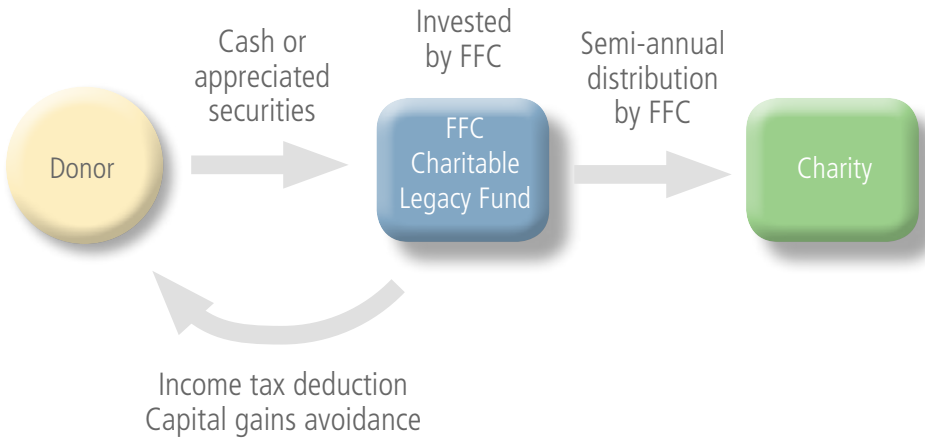

After attending a conference on white privilege, I came to a conclusion: part of the proceeds from the sale of my home was a result of living in the right place at the right time. I attributed some of this good fortune to the fact that I am a white, middle class woman and I wanted to give back.

I contacted Friends Fiduciary and they worked with me to establish an endowed fund that will support education and outreach around racial justice. I know that FFC will ensure that the money from the sale of my home will continue to support the work I intended and that is important to me.

HOW LEGACY GIFTS WORK

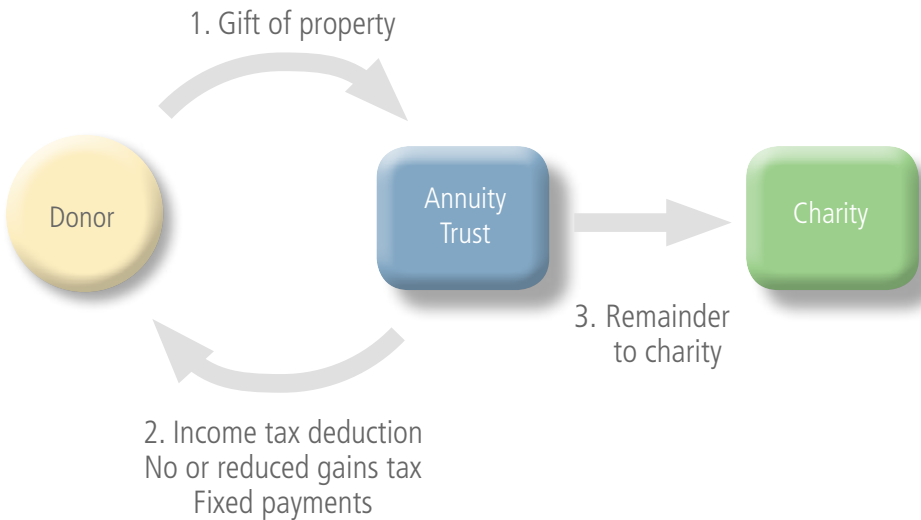

1. You transfer cash, securities, or other property to FFC.
2. You receive an income tax deduction in the year the gift is made and may save capital gains.
3. FFC administers grant-making and distributions to Quaker Organizations using a semi-annual standard distribution rate.
4. Your wishes are preserved in perpetuity by FFC.
5. You, and others, may contribute to the fund as frequently as you like.

CHARITABLE TRUSTS – REMAINDER

How it works

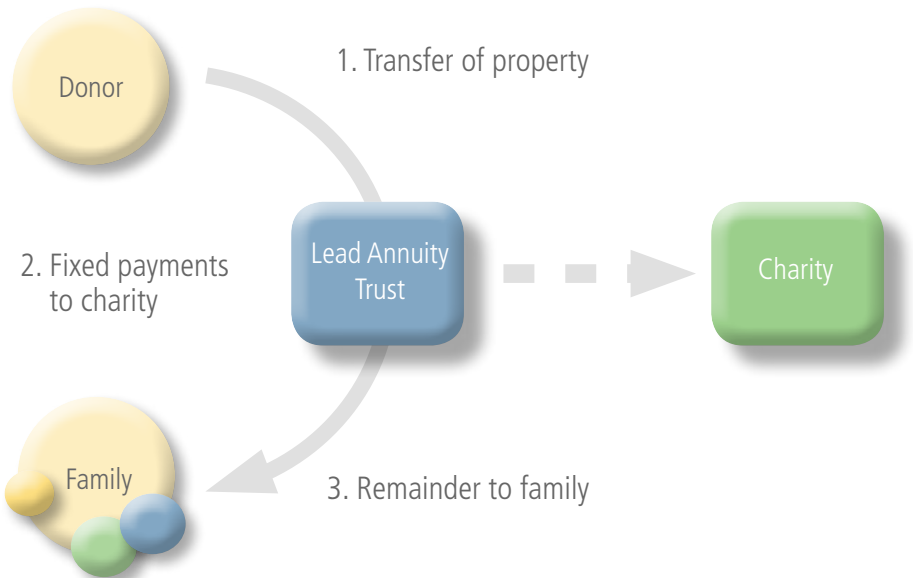

1. You transfer cash, securities, or other property to a trust.
2. You receive an income tax deduction and pay no capital gains tax on assets transferred to trust.
3. During its term, the trust pays a fixed amount each year to you or to anyone you name.
4. When the trust ends upon your death, its remaining principal passes to the charity of your choice.

CHARITABLE TRUSTS – LEAD

How it works

1. You transfer cash, securities, or other property to a trust. You receive a gift tax deduction.
2. During it's term, the trust pays a fixed amount each year to charity.
3. When the trust ends, its remaining principal passes to your family or other heirs you name. Trust growth passes to them free of gift or estate tax.

SIMPLE GIFTS TO MAKE

Appreciated Securities

I had supported my Monthly Meeting every year with a gift of \$500. This year I used appreciated stocks to fund the gift.

The transaction was easily accomplished through Friends Fiduciary. I increased my gift to my Meeting by \$75 and avoided capital gains tax – a “win, win”.

Required Minimum Distribution from IRA

I began taking required minimum distributions from my IRA about two years ago and noticed a rather significant increase to my taxable income. At seventy-three, I was eager to maximize my household income and decrease my income tax obligation. Making charitable contributions directly from my IRA was a good choice and very easy. My IRA administrator worked with me to complete the necessary paperwork. Because the money went directly to the Quaker organization I designated, it was not included in my taxable income for that year. I plan to use my RMDs to meet my charitable giving goals every year!

The sample stories in this publication were inspired by actual gifts facilitated by Friends Fiduciary.
